

Hemington Primary School – Class 2

Dear parents/ guardians,

This letter will give you all the information you need about our new 'Challenge at Home' homework. Our theme this term is **Europe** therefore, all of the activities are related to these topics. The idea behind this homework is that you and your child will have a go at things together and record what you have done in the book provided. You can choose any way that you would like to record your experiences, for example, you can use pictures, photographs, writing, cartoons or you could stick any souvenirs in your book. You can also choose the order in which you complete the challenges. **Please don't worry if you do not get chance to complete all of the challenges, they are designed for you to pick and choose which activities you would like to do with your child and that fit around your family life.** We do hope that you can complete as many challenges as possible so that your child can share their successes.

Research	Write	Make
