17th-28th June 2024

Dear Parents and Carers

We have had a great few weeks so busy with lots of activities including water safety for Key Stage 2, Forest schools, our spectacular performance of Cinderella Rockerfella, Sports Afternoon and the Hemington Festival. Wow! Thank you to everyone who came to cheer on the children today. It was a real success, with the children trying their very best in the events. Congratulations to everyone who took part and for challenging yourselves to try new activities. An extra special well done goes to those 2 pupils who won the sports medals in each house.

These medals were for either progress or outstanding ability in PE or amazing sportsmanship. A special thank you to parents and staff who came back afterwards to make the Hemington Festival a success too. Please see photos on the school Facebook page sharing our events.

Cinderella and Rockerfella was our first 'in-house' performance led by Mrs Stevens and Mrs Cheetham. The performance was brilliant. We definitely have some future TV and theatre stars! The children sang their hearts out to the catchy songs, made us laugh and spoke their lines clearly and with the sense of drama needed. The practicing in the village hall definitely paid off and we are very proud that as a school we can host performances where everyone is included!

We look forward to the residential next week and on Thursday and Friday whole school transition where the children moving onto to the next class will meet their new teacher. We have no teaching staff changes therefore class 1 will be Miss Timbrell, Class 2 Mrs Cheetham and Class 3 will be Miss Kalsi.

I hope you all have a lovely weekend.

Mrs Reay, Miss Timbrell and the Hemington Team.
