## 1st to 10th July 2024

### Dear Parents and Carers

During the transition days in school we have been talking about having a growth mindset and facing up to challenges with positive self-talk and a 'can-do' attitude. The children have been so positive about what they have achieved this year and are very excited and ambitious about their futures.

Year 6 visited their secondary schools too and were very enthusiastic about joining year 7!

Thank you so much to everyone who attended the Hemington Festival. The PTFA raised **£435.03** for school funds. This was a fabulous event and one we will be repeating next year. Congratulations to Caye for winning the Bake Off judged by Mr Funnell. Caye visited the Hemington shop and picked 2 great prizes.

Year 6 had their graduation assembly today. There were many tears in the room. Their memories made us both cry and laugh. Yesterday was SATs results day and the children have done themselves proud. All the hard work paid off! We will certainly miss their energy next year—they have all done so well this year and should be very proud of their achievements.

This is the final newsletter of 23/24. My first year of Headship at Hemington has been a pleasure. This is due to the welcoming and caring attitudes from the children towards me and the kindness and support shown by parents and governors. Thank you!

Also I'd like to say a **huge thank you** to the Hemington staff who work tirelessly to ensure that the Hemington pupils always have the best learning opportunities and enjoy being at our school!

I wish all year 6 the best of luck in year 7, I am sure they will be successful on the next step of their journey.

Have a wonderful Summer and see you on Tuesday 27th August.

Mrs Reay, Miss Timbrell and the Hemington Team.

### Years 4,5 and 6's Residential at Walesby Forest

*Fun was had by all on the 3 day residential. The children bravely tried canoeing, high ropes, climbing, high swings and the leap of faith. Many pushed themselves to try things they'd never done before.*

*The place was beautiful and gave the children both the chance to try activities as well as have fun chilling in their bedrooms, playing football and roaming the fields next to the lodge. A place to visit again!*

Last week we had great fun at our Teddy Bears picnic afternoon. We invited families in to come and have a look around our fabulous school, join in with teddy bear themed activities and speak to our dedicated staff.
