Dear Parents and Carers

We have had a very busy and fun couple of weeks with World Book Day and Science Week.

The highlight of last week was our celebration of World Book Day! Thank you so much to parents and carers for putting so much effort into helping the children dress up for the day and finding them their silly hat! Everyone really enjoyed our guest poet, Paul Jenkins who conducted workshops with all classes. Paul really enthused everyone about poetry and was so complimentary about our children, praising their ideas and creativity.

Science week has also been a great success with Professor Hope from Hemington Village visiting Classes 2 and 3 to share his microscopes and show us lots of creepy crawlies magnified lots. Class 3 really enjoyed his talk and all wrote him some letters to thank him for coming in. They also sketched some magnified creatures for him. Yesterday we went to deliver them and ended up with a tour of his pond where some of us go to hold a newt. A science shop has been run daily (and efficiently) by our Pupil Leadership Team. I will let you know how much has been raised next newsletter

Thank-you for those who attended parents evening. Miss Timbrell has contacted Class 1 parents to organise phonecalls for hers and Miss Kalsi will do the same on Monday.

Finally we are looking forward to a fun filled time next week with Easter Craft afternoon, auditions for the show, a band performance, house point winners and pizza party winners. What a way to end our half term.

I hope you all have a great weekend.

Mrs Reay, Miss Timbrell and the Hemington Team.
