Class 2

Creative use of materials	Drawing	Painting	Sculpture	Artists & Designers	Digital imagery
<ul style="list-style-type: none"> • I can identify ways prints are used by designers or artists. • I know how to print onto different materials using at least 4 colours • I can create a montage. • I can experiment with collage techniques such as tearing, overlapping and layering to create images and represent texture. Tearing- using torn bits of variety of papers to fill in shapes, to add texture and colour to backgrounds. 	<ul style="list-style-type: none"> • I know how to use sketches to produce a final piece of art. Know how to use sketches to produce a final piece of art. • I know how to use different grades of pencils to shade and to show different tone and textures. Tone is the relative scale of light to dark values in an image. Texture- using the side of your drawing tool (not the tip) make side-to-side strokes across your paper. • I know how to use shading to create light, medium and dark tones • I can explore tone techniques using different HB pencils then use these techniques within my work. • I can develop hatching techniques when drawing. Hatching is an artistic technique used to create tonal 	<ul style="list-style-type: none"> • I can use watercolour paints to produce washes for backgrounds. • I can name metallic colours • I can mix different shades of colours (2 or 3 shades of one colour for effect) Add black paint-darker Add white paint-lighter • I know how to select paint brushes for painting and different effects. Thick for block colours Thin for fine detail • I know how to apply techniques - apply colour using dotting, scratching, splashing • I can create a colour wash for a background screen 	<ul style="list-style-type: none"> • I can create a sculpture for a specific purpose. • I know how to join clay adequately. 'Score and slip' to attach 2 wet pieces of clay • I can create patterns in clay using tools. Modelling tools, stampers, wavy lines, zig zags • I can attach and join bits of clay to enhance a piece of work so its 3D. 	<ul style="list-style-type: none"> • I know how to identify different techniques used by different artists. • Know how to compare the work of different artists. • I can recognise when art is from different cultures. • I know how to recognise when art is from different historical periods. <p>Ted Harrison inspired painting of a mountainous landscape.</p> <p>Create a Guiseppe Archimboldo food portrait.</p> <p>Create an artist-inspired wire sculpture based on the work of Alberto Giacometti.</p> <p>Explore the artist Paul Cezanne and his style of work</p>	<ul style="list-style-type: none"> • I can use a digital camera/I-pad to take images of ideas
